STATE TICKET IS IN DOUBT

Herrick and Pattison Are Running Neck And Neck.

REPUBLICANS LOSE HAMILTON

All City and County Offices Are Captured by the Democrats.

TOM JOHNSON CARRIES CLEVELAND

Forest City Executive Decisively Defeated Boyd, the Republican Candidate—Columbus Democrats Elect Mayor By a Handsome Plurality. Independent Candidate Sweeps Toledo—Latest Returns From All Sections of the Duckey State.

Columbus, O., Nov. 8.—Returns received by the Republican state committee at this hour indicate that Myron T. Herrick has been elected by about 45,000. The returns are, however, entirely too fragmentary to be used as a basis of a safe calculation. Chairman Dick of the Republican state committee, and Chairman Harvey C. Garber of the Democratic committee issued midnight statements, each claiming the state, but neither giving figures.

The early reports, though very meager, were so strongly in favor of Pattison that his election was hailed and announced in newspaper extras, but as fuller returns came in showing a reduced ratio of gains the Republicans became more hopeful, and the

JOHN M. PATTISON.

Democrats refused to give out estimates, although they still maintained that they had gained a notable victory.

Chairman Dick issued the following statement: "The election returns are fragmentary and meager at this hour, delay being due to the large number of candidates and a great deal of local ticket scratching. While it is not practicable as yet to approximate definite figures, indications clearly point to the re-election of Governor Herrick and the entire Republican state ticket by safe pluralities."

Chairman Garber would not give out a formal statement at midnight, but from reports that reached him he considered the election of Pattison and the entire Democratic ticket assured. He said he believed Pattison's plurality would approximate 45,000, the figures he gave in his pre-election estimate. As to the legislature, he said he counted on a large Democratic majority in both houses.

Early reports from Cincinnati were to the effect that Hamilton, county which had been counted on by the

Republicans to give 20,000 plurality for Herrick, had gone to Pattison, but at midnight a private message from George B. Cox to Governor Herrick announced that Hamilton county had given the governor 3,500 plurality. The 8,000 or more given by Cuyahoga county for Pattison was close to what had been anticipated by Chairman Dick in his poll announced last week giving that county to Pattison by 8,000.

The Western Reserve, the Republican stronghold, was not heard from until late, and then came reports unfavorable to Herrick. Portage county was carried by Pattison by 750 to 1,000. Ashtabula county, usually good for 5,000 Republican plurality, gave Herrick but 2,000. At this hour there are insufficient returns to show which party has a majority of the legislature. The two constitutional amendments were carried.

MYRON T. HERRICK.

Publicans to give 20,000 plurality for Herrick, had gone to Pattison, but at midnight a private message from George B. Cox to Governor Herrick announced that Hamilton county had given the governor 3,500 plurality. The 8,000 or more given by Cuyahoga county for Pattison was close to what had been anticipated by Chairman Dick in his poll announced last week giving that county to Pattison by 8,000.

The Western Reserve, the Republican stronghold, was not heard from until late, and then came reports unfavorable to Herrick. Portage county was carried by Pattison by 750 to 1,000. Ashtabula county, usually good for 5,000 Republican plurality, gave Herrick but 2,000. At this hour there are insufficient returns to show which party has a majority of the legislature. The two constitutional amendments were carried.

As to the legislature, little in the

way of definite news was obtainable. Interest in the state contest and the long delay in counting the vote serving to delay reports on everything below governor.

Although the Democratic leaders claim the election of Pattison and the entire Democratic ticket by substantial pluralities, the Republicans refuse to concede such a claim. Insisting that the returns were insufficient to indicate anything except that the vote was very heavy and that the amount of scratching made counting very slow.

In the cities the Republican loss exceeded the precinct, but as the loss per precinct outside of the large cities so far as reported was only about 34, there was no certainty that the loss would run high enough to wipe out the 270,000 Republican plurality with which comparisons were made.

Taking 226 precincts in Cincinnati, 40 in Columbus, 60 in Cleveland and 16 in Toledo, the average Democratic gain is 105 to the precinct. In 120 precincts received outside of the above cities, the Democratic gain is 37 to 46 precinct. Estimating all the precincts in the above cities and the 3,300 precincts outside gives a Democratic gain of 149,568, or 4,821 votes less than Laylin's plurality in 1904.

Franklin County.
Columbus, O., Nov. 8.—Although it is not yet possible to get accurate footings, returns show the election of former Congressman Badger for mayor of Columbus by from 4,000 to 5,000 plurality. On the county ticket Sheriff Korb and Probate Judge Black, Democrats, were re-elected. The result for prosecuting attorney and county clerk is very close, and may require the official count to decide.

The entire city ticket was elected by the Democrats. Governor Herrick carried the county and city by 2,000 plurality.

Lucas County.

Toledo, O., Nov. 8.—Returns indicate that Herrick, Republican candidate for governor, will have 3,000 plurality over Pattison (Dem.). The returns also indicate the election of Brand Whitlock, Independent candidate for mayor, by 5,000 plurality, and the election of the entire independent county and city tickets by smaller pluralities.

Cuyahoga County.

Cleveland, O., Nov. 8.—Republican leaders concede that the Democrats carried the city and county by substantial pluralities. Mayor Johnson (Dem.) declares his plurality will be not less than 8,000. Pattison (Dem.) for governor will probably have 10,000 plurality in Cuyahoga county.

COX RETIRES.

Cincinnati Leader's Announcement. Twenty-Five Years' Service.

Cincinnati, Nov. 8.—George B. Cox, the well known Republican leader, gave out the following statement withdrawing from active service in the Republican party: "Now that the election is over and the people have signified their preference for city, county and state officials, and I sincerely trust they have decided wisely, I wish

GEORGE B. COX.

to announce to the public that from this day, after twenty-five years of active service in the ranks of the Republican party, my personal activity in politics shall cease. I will continue to vote the Republican ticket, but others must bear the burden of future campaigns. To the local Republican organization and the many friends that have stood with us in the past, I tender most grateful thanks for their unswerving loyalty and support. I hope for their future good will."

Dempsey Elected.

Cincinnati, Nov. 8.—George B. Cox concedes Dempsey's election as mayor by 1,500, and that Pattison carries Hamilton county by 1,200. He says Pattison (Dem.) has carried the state by 60,000.

Summit County.

Akron, O., Nov. 8.—Pattison is conceded to have carried Summit county, while the entire Republican city ticket is elected with the exception of Kemple (Dem.) for mayor.

Muskingum County.

Zanesville, O., Nov. 8.—Estimated on official returns Pattison will have a plurality of 200 over Herrick in Muskingum county.

Hancock County.

Findlay, O., Nov. 8.—Hancock county will give Pattison a plurality of 300.

Fatal Quarrel.

Indianapolis, Ind., Nov. 8.—Within sight of 30 men standing in front of a polling place in the Fourteenth ward, John Smith was shot and killed by Herman Huff in front of the latter's home on Arbor avenue. The trouble grew out of personal differences. Huff escaped.

SAYS DOUMA NOT DECIDE

Count Witte Opposes the Demand for Universal Suffrage.

ASKS ZEMSTVOYEST SUPPORT

Demonstration of Police Workmen at Warsaw Suppressed by Troops. Revolutionary Socialists Control the Situation in Finland—Latest Developments in Russia.

St. Petersburg, Nov. 8.—The latest reports from the Caucasus are very heartily bad. Fighting between Armenians, Kurds and Russians in the Daghestan, Kutais, Terek and Kuban districts, assumed a ferocious character, and every attempt of the troops to restore order resulted in the population turning upon the soldiers and fighting them with arms and bombs. Two companies of Cossacks were reported to have been entirely wiped out. The entire trouble is of a revolutionary character, but it gives the people an opportunity to manifest their race hatred, and the most horrible atrocities have been committed.

Count Witte has pledged himself to support the plan for the convocation of a constituent assembly when the Douma meets, if a single representative raises the question. He is exceedingly anxious to win the support of the zemstvoyest party, which he does not hesitate to declare conforms nearest to his political ideas, and which he evidently regards as the strongest, safest and most influential factor in the future political life of the country. The count has been in almost constant consultation with the leaders of this party, but they have steadily refused their allegiance except on the condition of the convocation of a constituent assembly based on universal suffrage. Count Witte has as persistently opposed the demand, insisting that the matter was for the Douma itself to decide. At the same time he announced his personal belief that in the end such an assembly must be summoned.

Now that the crisis in Finland is virtually over, it develops that the revolutionary socialists and complete control of the situation. The militia in possession of Helsinki and other towns kept a firm grip on all means of communication and prevented the news of what was happening reaching the Russian authorities. The whole country was in a ferment of excitement, and was fed upon reports that the Russian people had set up a republic, and that thousands of men and women were making their way from the interior toward the cities with arms to join in a war for freedom.

MYSTERIOUS CASE.

Bride and Groom Found Dead at Home—Both Shot.

Newberg, Ohio, Nov. 8.—Carl Hurford and his wife, a bride of six weeks, were found dead in their home here by neighbors attracted to the house by the firing of shots. Hurford had been working in a factory here, had been ill for several days. Mrs. Hurford visited the factory and was told that her husband's position would be kept open for him. Shortly after she returned to her home a shot was heard and Mrs. Hurford called for help. When neighbors arrived Hurford and his wife were dead, both having been shot. Whether the tragedy was one of murder or suicide or double suicide may never be known. Hurford came here with his mother and brother from Missouri a year ago. Mrs. Hurford came from that state two months ago to marry Hurford.

POWDER EXPLODES.

Four Men Killed and Several Injured in an Illinois Plant.

Bellefonte, Ill., Nov. 8.—The press house of the Phoenix Powder works at Phoenixville, a few miles from here, exploded, killing four men. Several others were injured. Dead: Louis Hall, William Humes, George Gumes, Walter Krobbe, millwright. Residents of Bellefonte saw a cloud of dust shoot high in the air over the hills across the mill, and the report was distinctly heard and felt 10 miles from the scene. The building was blown into kindling wood, and the bodies of the victims were strewn among tree-tops. The cause of the explosion has not been ascertained.

Costly Blaze.

Birmingham, Ala., Nov. 8.—Fire totally destroyed the new five-story building on Twentieth street of the Moore & Handley Hardware company. The building was erected at a cost of \$75,000, and the stock was valued at \$75,000. The two-story structure on Avenue A, adjoining that of Moore & Handley and recently occupied by the Avondale laundry, was also burned, the loss being \$10,000. The plant of the Philip Carey Manufacturing company on Avenue A, was totally destroyed with the contents, the loss being estimated at \$12,000.

Darrow Deserts Dunn.

Chicago, Nov. 8.—Clarence Darrow, special traction counsel for the city of Chicago, resigned. In a letter to Mayor Dunne he declared he has no desire to continue in the employ of the city, inasmuch as municipal ownership can not, in his opinion, be effected until the spring election. A desire to give more attention to private business was another reason.

NEW TRIAL

Refused Mrs. Cassie L. Chadwick By Federal Court.

Cincinnati, Nov. 8.—The United States circuit court of appeals refused a new trial to Cassie L. Chadwick. Of the large number of errors claimed by her attorneys to have been made by the trial court, this court found that the lower court did not err in one. In closing his decision, Judge Lurtin declared that Mrs. Chadwick ought to have known it was wrong to draw checks on a bank when she knew she had no money on deposit there, and that the inference drawn by the jury in the trial court that she did the acts with intent to defraud was proper.

The Drummer's Furlough. Compulsive drummer boys have well-earned the title of heroes of the war, and the heart of many a stern officer has been moved to pity for the childish drummers in his regiment. In the critical days of the civil war an order was issued that under no circumstances should a furlough be granted. Just then "General Scott," a Ohio drummer boy, aged thirteen, became terribly homesick and hungry for a sight of his mother.

Poor little General Scott! He had been in many battles, always obedient and fearless. But he was beaten at last. His lip quivered and his eyes filled with tears.

The bandmaster wrote out a brief statement of the case, and carefully avoided asking for a furlough, and sent General Scott with it up the line of officers. Generals Cook, Hayes and Crook each added a line, and then it was laid before Sheridan.

"No furlough can be granted," wrote the hero of Winchester, "but General Scott is hereby ordered to repair to his mother and to report again at headquarters in thirty days." Thus it was that one drummer boy went home on duty.—Youth's Companion.

Some Boston Bonits.

"The Hotel Pelham was the first French apartment house, or flat, as they have now come to call them, to be opened in the United States," said an old Bostonian. "At that time the late Dr. Dix, who owned the property, had returned from a European trip, where he got the idea. Upon his return he brought it with him, the Pelham was fitted up in that way, and the idea has continued to spread until it has gone all over the country. Another thing that you may have forgotten is the fact that the Parker House was the first hotel in the United States to be conducted on the European plan. It was in a Boston hotel, the American or the Bowers—I forget just which, and it was that the elevator was first introduced."—Boston Record.

M'CLELLAN
THE WINNER

Hearst and Ivins Go Down In
New York Fight.

WAS A REMARKABLE CONTEST

William T. Jerome Re-Elected by a
Small Margin.

REFORMERS SWEEP PHILADELPHIA

Democratic Candidate for State Treas-
urer Carries Pennsylvania By Sev-
enty-Five Thousand — Republicans
Victorious In Massachusetts — Suf-
frage Amendment Defeated In Mary-
land — Results In Illinois, Rhode
Island, Virginia and Elsewhere.

New York, Nov. 8.—Tammany
met defeat in its earnest efforts to
elect James W. Osborne to the dis-
trict attorneyship of New York coun-
ty, and saved the mayorship of the city
by a narrow margin. The results in-
dicate that George B. McClellan (Dem.)
has been re-elected mayor for a
four years' term, and that Wil-
liam T. Jerome (Ind.) has been re-
elected district attorney. The extent
to which the Tammany organization
was shaken may be judged from the
fact that there was no fusion of the
opposition parties, the means by
which the organization has been com-
bated heretofore, but that Jerome

GEORGE B. McCLELLAN.

running as a candidate of no party
and with his record in office as his
platform, succeeded in overcoming the
former prestige of the Democratic or-
ganization, and William R. Hearst
standing as the nominee of the Mu-
nicipal Ownership League, a new fac-
tor in New York politics, came within
a few thousand votes of being elected
mayor.

W. R. Hearst has issued the follow-
ing statement: "We have won this
election. All Tammany's frauds, all
Tammany's corruption, all Tammany's
intimidation and violence, all Tam-
many's false registration, illegal vot-
ing and dishonest count have not been
able to overcome a great popular ma-
jority. The recount will show that
we have won the election by many
thousands of votes. I shall fight this
battle to the end, in behalf of the
people who have cast their votes for
me, and who shall not be disfran-
chised by any effort of criminal
bosses."

An analysis of the vote for mayor
shows that Hearst polled a little more
than 200,000 votes, and that appar-
ently these votes were drawn almost
equally from the Democratic and Re-
publican parties. McClellan's vote
this year was about 110,000 smaller
than his vote of two years ago, while
Ivins' vote was about 135,000 smaller
than his vote of two years ago. These
figures, however, may not be en-
tirely accurate, owing to the fact
that a number of Republicans prob-
ably voted for McClellan in order to
aid in the defeat of Hearst.

Bird S. Coler was elected borough
president of Brooklyn on municipal
ownership ticket, and Hearst carried
that borough by a plurality of 15,028.

Hearst's large vote shows that the
Municipal Ownership league must be
reckoned with as a factor in the city's
politics. Coler's election as president
of the borough of Brooklyn gives the
league representation on the board of
estimate and apportionment, which
has control of the city's expenditures.
It is estimated that this board will di-
rect the outlay of \$900,000,000 during
the next four years.

ILLINOIS.

Chicago, Nov. 8.—The Republicans
made a clean sweep of the election in
Chicago and Cook county, electing all
of their candidates with the exception
of one man. The sole Democrat to
reach the promised land was Webb, a
candidate for trustee of the sanitary
district. The Republicans elected four
judges of the superior court by plu-
ralities ranging from 20,000 to 25,000,
one judge to fill a vacancy on the
bench of the superior court by a plu-
rality of about 1,000, a judge of the
circuit court by 10,000, and eight out
of nine members of the board of san-
itary trustees by pluralities ranging
from 1,000 to 5,000. A number of im-
portant questions were up for consid-
eration by the voters, and all of them
were carried by large majorities. They
included an amendment to the charter
of the city by virtue of which the term
of the mayor of the city is lengthened
from two to four years, the abolition
of the present system of justice
courts, the creation of a forest reserve
in Cook county, the right of the city
to regulate the prices of gas, and au-
thority to operate an electric light
plant and sell to private consumers
all of the current not used for munici-
pal purposes.

PHILADELPHIA.

Philadelphia, Nov. 8.—Philadelphia
has been swept by the reform move-
ment, the city party ticket winning by
a surprisingly large plurality. The de-
feat of the Republican local ticket is
conceded by a 60,000 to 75,000 plu-
rality. The victory of the city party
ticket carried with it the election of
W. H. Berry, Democratic reform candi-
date for state treasurer. J. Lee Plummer,
Republican candidate for treasurer,
lost by a large margin, and he was badly
out of the race, and state, and he
lost the election, which is usu-
ally Republican, has every
appearance of a slide for reform
not only in the city, but through-
out the state.

Philadelphia, Nov. 8.—United
States Senator's ward, the
Eighth, where 4,000 Republi-
can majority, was carried by
the Democrats by a 50 majority.
Berry, state treasurer had
52 plurality.

Baltimore, Nov. 8.—The elec-
tion in Maryland for state com-
ptroller, judge of county officers,
and in the city for judge of the
supreme court, city clerk and
surveyor, which engrossed
popular attention, was a proposed
constitutional amendment, the avowed
purpose of which was to disfranchise
negro voters, but which aroused wide-
spread opposition among many Demo-
crats and foreign voters in both
parties. The returns indicate the defeat
of the proposed constitutional amend-
ment by a decisive majority of 20,000
or more. Very probably the elec-
tion of Cullough (Rep.) state
comptroller, over Atkinson (Dem.),
and the election of Republicans in
three of the four city legislative
districts, the Republican candidates
for sheriff, city court clerk and city
surveyor, Baltimore are also elect-
ed. Charles Harlan (Dem.) is re-
elected judge of the circuit court.

Massachusetts.
Boston, Nov. 8.—Lieutenant Gov-
ernor Curtis Guild, Jr., of Boston, the
Republican candidate, was elected
governor of Massachusetts in the
state election by a plurality of 23,435
over Charles W. Bartlett of Boston,
the Democratic candidate. For the
second place on the ticket, for which
there was an unusually warm contest,
Eben S. Draper of Hopedale, the Re-
publican candidate, won over Henry
M. Whitney of Brookline, his Demo-
cratic opponent, and the leading ad-
vocate of reciprocity, by a plurality of
3,942. The total vote for the two lead-
ing candidates was: Governor, Guild
(Rep.) 203,334; Bartlett (Dem.) 174,
399; Lieutenant governor, Draper
(Rep.) 184,534; Whitney (Dem.) 180,
522. The Republicans also elected
seven of the eight members of the ex-
ecutive council, and the usual large
majority in both branches of the leg-
islature.

Pennsylvania.
Philadelphia, Nov. 8.—Returns from
various parts of the state indicate the

election of Berry (Dem.) for state
treasurer by a large plurality. Republi-
can strongholds are showing unex-
pected gains for Berry. Lancaster
county, normally Republican by 10,
000, is in doubt. Dauphin county, in
which Harrisburg, the state capital,
is located, another Republican strong-
hold, gives Berry 1,500 plurality.
Other Republican counties show the
same enormous Republican losses.
Berry, nominated as a Democrat, was
indorsed by the Independent Republi-
cans and the Prohibitionists. In this
city the Lincoln party, formed by the
Independents, gave Berry a tremen-
dous vote. The state treasury has
been under Republican control since
1880. Roosevelt's plurality last year
was 508,000.

VIRGINIA.

Richmond, Va., Nov. 8.—Claude E.
Swanson, Democrat, was elected gov-
ernor of Virginia by about 20,000 plu-
rality over Judge L. L. Lewis, the Re-
publican candidate. The vote every-
where was exceedingly light, but Dem-
ocratic apathy was offset by unfavor-
able conditions on the other side. The
negroes throughout the state ab-
stained from voting almost entirely.
The Republicans gain a few members
of the legislature.

INDIANAPOLIS.

Indianapolis, Nov. 8.—The election
of Former Mayor Charles A. Book-
walter as mayor of Indianapolis is
conceded. The latest returns give
Bookwalter (Rep.) 23,775, Holtzman
(Dem.), for re-election, 22,177. Book-
walter's plurality 1,598. The vote for
George Hitz, Prohibition candidate,
cannot be estimated at this hour.

LOUISVILLE.

Louisville, Ky., Nov. 8.—The elec-
tion of the entire Democratic city
and county ticket and 10 Democratic
members of the legislature is gen-
erally conceded by pluralities ranging
from 3,500 to 7,000.
Louisville, Ky., Nov. 8.—The polls
in Louisville closed after a day of
great disorder. About a round dozen
of prominent citizens and a large num-
ber of lesser lights who worked for
the fusion ticket were jailed by the
police. It is estimated that a fair
election was either totally or partially
prevented in one-fourth of the 375
polling places in the city of Louisville.
A number of persons were injured in
riots, the most serious of which oc-
curred at Eighth and Market streets,
where one Democrat's worker was
shot and four prominent citizens se-
verely clubbed.

November 7th, 1905, is past and the excellency and nobility of manhood have prevailed. The spirit of truth and reason is reveling in the hearts and minds of the good citizens of Breathitt, with the spirit of liberty and freedom and their souls are feasting on the good things to come, as the days, months and years of the incoming administration rolls by, the altar of the Living God, will be rebuilt, and the high places and altars of Baal be swept from among us and an acceptable offering as the life of man be offered before the Lord. The good citizens of Breathitt county have reasoned well their lots, clearly viewed their situations and acted most nobly and wisely. The Eternal Father has mysteriously moved in the hearts and minds of the people His mysteries to perform, as He always does when the people seek to know and do His will. He is the great benefactor; then, fellow citizens, be careful not to ascribe your praise to the successful candidates instead of Him who rules our lives and destinies, and moves but to perform some good; and you, elected officials, claim not this glory to yourselves, but glorify the Author of eternal light, and let the authority entrusted to you be to honor the Giver of all good and perfect gifts. Much is expected of you by your fellow beings, and great is the waste to be repaired. God has given you this work to do, so learn wisdom from the past, and know that to honor God is to honor yourselves, and to do the will of God is the duty of man.

The election is now over and the victory of the people is complete. The people rose en masse with a stamp of repudiation that bore nothing of doubt and accepted nothing of the denial; the hand of the Almighty working through the sacredness of suffrage; a cloud by day and a pillar of fire by night, leading an oppressed and benighted people from Egyptian bondage to a deliverance glorious and complete. Some doubted, some feared, some shuddered when thinking of the crash that should come with the overthrow of tyranny and misrule in the county, but when it came the victors were sober and self-poised and the vanquished accepted gracefully a defeat. Gracefully, for there was no reason, no escape, no appeal. But we have not come today to voice the will of the successful party in any acclaim or boast of victory, nor with any threat of oppression to the defeated side, but it is for the purpose of assuring the people who have so wisely chosen that the coming administration will look to the needs and supply the wants of a neglected people; not to say to the adversary that we have defeated you and now we will oppress, but to bring the assurance that the people shall have liberty through law, since laws are made for liberty, and that equal aid and full justice will be done to all without regard to past party associations, and with this election Breathitt county enters upon a new era, a golden dawn tints and tinges the east, and in the very being and heat of the people a voice of gladness is heard; a county once burdened with crime now enters upon a living way, and the people may now lay down the ballot and take up the ax, with the confidence that home and life will be secure. Under these conditions, and with this new order of things let us act with

Your friend,

discretion for the good of a confiding people and fulfill as best we can the promises of reform and peace.

The patriotism of the citizens of Breathitt county has risen as high above prejudice as the heavens are above the earth. On the 7th instant, royalty burst forth from more than eighty per cent. of the citizens of our outraged county. Party lines were forgotten, love of country was supreme, courage and determination in behalf of law and order were written in unmistakable terms, at the polls in the hands of the voters, and in thunder tones condemned assassination, packed juries, high taxes, misappropriation of funds and all kinds of lawlessness. This was and is the voice of the people. It was not the voice of either party; both Republicans and Democrats are due the praise of all the good people of Kentucky. The people nominated the ticket; the people, regardless of politics, elected the ticket. No one man can take all the glory. Each and all of the candidates and their friends made a whole-souled fight for the entire ticket and stood like stone walls for right and for their country. Each and all of them deserve praise and have my heartiest applause and sincerest thanks. I owe a great debt of gratitude to my supporters, and I now promise to do all within my power to carry out the promises and the pledges made you in my platform and in my speech of acceptance.

My foes and my friends shall receive the same treatment at my hands. In my official acts I shall endeavor to give each exact justice, no more, no less.

It shall be my highest aim to restore peace and prosperity to Breathitt county and give the whole people an administration that will protect all the citizens alike, and give every man a square deal.

Thanking my friends who made this victory possible, by their votes, I remain, Your humble servant, S. S. TAULBEE.

Congratulations to Breathitt.

To Kentuckians one of the most important elections held was the election in Breathitt county, where the Hargis regime, masquerading as Democrats, have controlled Jackson and Breathitt county with a rod of iron. Lawlessness has there been rampant, assassination frequent. With the insolence of Tweed, those accused by popular opinion of these crimes have asked: "What are you going to do about it?" The people of Breathitt have answered by defeating the so-called Democratic ticket, which was in no true sense a Democratic ticket, simply using that name because they had control of the Democratic organization, and elected the Fusion ticket by a majority which, as far as could be learned Tuesday night, will run over five hundred.

Neither the fight in Philadelphia nor in Cincinnati was more bitter nor as dangerous for those who took part in it as the fight in Breathitt. To the Fusion ticket and those who led it to victory, the people of the mountains, the people of the State, owe praise

and congratulation.

This election means much to the people of Breathitt. It means the dawning of a brighter era, the enforcement of the law, the safety of life and property. The result in neither Philadelphia nor Cincinnati, New York or any other city meant as much to the residents of that city as did the result of this election to the people of Breathitt. To them today we extend the congratulations of the people of the Blue Grass.—Lexington Herald.

An Indian Sea Serpent Legend.
The red men of the west have many curious legends concerning the rivers, lakes and mountains of that region. None more weird than that which is told concerning Rock Lake, Washington. Since time out of memory the Indian tribes of that vicinity believed the lake to be inhabited by a sea monster which never grows old and whose chief diet is Indian flesh. According to the legend, no Indian ever entered its waters and returned therefrom alive, no matter whether the rash act was committed by approaching its margin for a drink, for a plunge and a swim or for a canoe ride upon its placid bosom. All of the Indians of the northwest know of the terrors of Rock Lake, and each and every one would prefer death with a poisoned arrow rather than to touch its waters. The last Rock Lake horror, according to the legend, was in 1858, when a whole band of noble red men were sent to the happy hunting grounds by the monster.

When You Have a Bad Cold.
You want a remedy that will not only give quick relief but effect a permanent cure.
You want a remedy that will relieve the lungs and keep expectation easy.
You want a remedy that will counteract any tendency toward pneumonia.

You want a remedy that is pleasant and safe to take.
Chamberlain's Cough Remedy meets all of these requirements and for the speedy and permanent cure of bad colds stands without a peer. For sale by Jackson Drug Co.

Read Your Letter Again.
Never mail a letter without at night until it has been reread in the morning. You may materially reduce the number of your correspondents by persisting in this course, but you will gain in reputation for prudence and common sense. What seems philosophy by candlelight is but folly by day, and the brilliancy of night lacks sparkle in the morning.

Personal.
"Do you really maintain that there exist dogs who are more intelligent than their masters?"
"Certainly. Such clever animals are rare, but I've got a pointer—what are all you claps laughing about?"

G. B. Burhams Testifies After Four Years.

G. B. Burham, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am only glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." Jackson Drug Co.

The Final Blow.
It is said that often when a woman says "no" she means "yes," but there are signs which discourage even the most hopeful and persistent wooer.
"I didn't so much mind Hetty's saying she'd as soon marry a jumping jack as me," said Ethan Hatch forlornly to a sympathetic friend, "nor I didn't much care when she said she'd rather stay at home than go out to Jordan's park with such a slow coach as I was, but when she told me she'd got to help her mother iron when I asked her to go with me down to the Center for some ice cream soda I saw 'twasn't much use hanging on any longer."

Saved By Dynamite.
Sometimes a flaming fire is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long that you feel as if nothing but dynamite would cure it. Y. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At Jackson Drug Co. store, price 50c and \$1.00. Trial bottle free.

The Drum.
The history of the drum goes back to the childhood of the world. The Greeks ascribe its invention to Bacchus. The Egyptians had it at least 1,600 years before Christ. Pizarro found drums in South American temples. The snakes of Ireland, we are told, fled from the island before the drumbeats of St. Patrick. Our Puritan ancestors used the drum as a church bell. When Sir Edmund Andros ordered the drums to "strike up" to drown the voice of protesting colonists, the lights in the Hartford council chamber went out and the charter of Connecticut disappeared in the darkness to the safer shade of the Charter oak.—Youth's Companion.

No Poison in Chamberlain's Cough Remedy.
From Napier, New Zealand Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by Chamberlain Medicine Co., Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by Jackson Drug Co.

Herb W. Edwards Injured.
Herb W. Edwards, of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knees. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared. For sale by Jackson Drug Co."

Should Not Cage Parrots.
"Nature never intended that parrots should be confined in cages," said a bird fancier. "They get gouty feet, become irritable, are liable to fits and convulsions, lose their feathers and pick themselves till they are a mass of mutilated deformity. Confinement and improper diet are the causes of all this. If a parrot gets an irritation of the skin and draws blood while picking himself he will keep on till he is a horrible spectacle. Once tasted, a thirst for blood has been created and will never cease."

Sluggish Liver a Foe to Ambition.
You cannot accomplish very much if your liver is inactive, as you feel dull, your eyes are heavy and slight exertion exhausts you. Orino Laxative Fruit Syrup stimulates the liver and bowels and makes you feel bright and active. Orino Fruit Syrup does not nauseate or gripe and is mild and very pleasant to take. Orino is more effective than pills or ordinary cathartics. Refuse substitutes. Jackson Drug Co.

Wise Willie.
"You should be like the chickens, Willie. Just see how early they wake up in the morning."
"Oh, well, I could wake up early, too, ma, if I stood up all night."

Her Vocation.
She—Yes, she married him to reform him. He—But she is trying to obtain a divorce now. She—Well, I suppose she wants to reform another man now.

Tinted Lunas.
One of the exhibits in an English anatomical museum is a collection of three lungs preserved in alcohol. On one hand is an exhibit almost pure white, while the third is jet black, the one between being a dirty gray.

A Pleasure to All.
No pill is as pleasant and positive as DeWitt's Little Early Risers. These famous little pills are so mild and effective that children, delicate ladies and weak people enjoy their cleansing effect while strong people say they are the best liver pill sold. W. H. Howell, Houston, Tex., says: "For years I have used Little Early Risers Pills in my family. No better pill can be used for constipation, sick headache, etc., than these famous little pills." Sold by Jackson Drug Co.

What Puzzled Him.
Wife—I mended the hole in your trousers pocket last night after you had gone to bed, John, dear. Now, am not I a thoughtful little wife? Husband (dubiously)—Well—er—yes, you are thoughtful enough, my dear, but how the mischief did you discover that there was a hole in my pocket?

Clearing for Action.
When the fog is cleared for action, by Dr. King's Life Pills, you can tell it by the brightness of the eyes, the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At Jackson Drug Co., 25 cents.

Of Ours.
At the time we discover that we have been early one-half of it in believing without realizing it and that we were wrong.

Piracy of the Honey of Tar.
Never was there a case of conscience so clearly proven as in the case of the Honey of Tar. The original Honey of Tar, of the great merit of the Honey of Tar, is offered for the genuine. Beware of the cheap imitations. The genuine Honey of Tar is a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Jackson Drug Co.

Unfaithful Servant.
One night Prince Talleyrand was suddenly awakened by the firing of a pistol, and, seeing his valet walking about the room, asked him what he was doing.
"There is a mouse in the room, your highness, and for fear it might disturb you, I have shot it."

Exact Statement.
Author—It is true that you say my latest is the worst book I ever wrote? Critical assistance—Nonsense, my dear fellow. What I said was that it was the best book anybody ever wrote—not you in particular.

The Growler.
There is nothing easier to acquire than a fretful, complaining spirit. It is a foolish habit to borrow trouble or meet it halfway. Cultivate a cheerful mind and heart, and much imaginary trouble can be avoided.

No Case of Pneumonia on Record.
We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. Jackson Drug Co.

Pleasures of the Table.
Heliogabalus surpassed Vitellius as far as Vitellius surpassed Lucullus in the art of expending vast sums upon the pleasures of the table. According to Lampridius, he cost the government for each of his dinners more than \$150,000 in our money! This statement almost transcends belief. At one of his banquets was served an entree consisting of the brains of 600,000 ostriches, quickly followed by another of broiled heels of an incalculable number of tender young camels. In the days of Shakespeare good digestion probably waited on appetite. Dining was a matter of fact business, and dinners were so lacking in the variety of dishes that an appetite was a necessity. In these days, as in the days of Vitellius, an appetite is a superfluity. Among the high livers it is satiated, dull, dead, worn out. Special dishes are invented to tickle and awaken it. Lucullus, Vitellius and Heliogabalus are among the great departed, but their memory lives, and even in this day and generation they have their imitators.

Faith Not Necessary.
You may be just as skeptical and pessimistic as you please. Kodol will digest what you eat whether you eat or not. You can put your food in a bowl, pour a little Kodol Dyspepsia Cure on it and it will digest it the same as it will in your stomach. It can't help but cure indigestion and dyspepsia. It is curing hundreds and thousands—some had faith and some didn't. Kodol will cure you if medicine can cure you, whether you have faith in it or not. Mrs. J. P. Bailey, Vaughn, Va., says: "I am 51 years old. Several years I suffered extremely with indigestion and dyspepsia. My grandson, A. Bailey, Jr., a merchant at Allwood, Va., sent me a bottle of Kodol Dyspepsia Cure. The world ought to know of the supreme benefits an aged sufferer has received from this great medicine. It entirely cured me and can eat all food." Sold by Jackson Drug Co.

The Skipper's Comment.
A burly, thick headed skipper had been given the command of a little steam collier. Going up with great pride on to the bridge of his new ship, the first thing that caught his eye was the engine room telegraph. "What's that for?" he demanded. "Why, that goes down to the engine room," was the reply. "You see all the orders on it—'Full speed,' 'Half,' 'Slow,' 'Stop.' You just have to move the handle." The old man was charmed. "If I put the handle to 'Full,' will she run full speed?" "Why, certainly." "And if I put the handle to 'Stop,' will she stop gangling?" "Certainly." The old man was still more charmed. Finally, after thinking some time, he heaved a great sigh of pleasure. "Why, that's fine, mum! That's clever! That does away with all them saucy lumps of engineers!"

Terrific Race With Death.
"Death was fast approaching," writes Ralph F. Remond, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep, and all interest in life. I had tried many different doctors and several medicines, but got no benefit until I began to use Electric Bitters. So wonderful was their effect that in three days I felt like a new man, and in ten days I am cured of all my troubles." Guaranteed at Jackson Drug Co. Price 50c.

The Dog and His Master.
Men and women are very much like clocks. Some are always on time, some are never on time, some are always in order, some are never in order. And, while you may be able to tell something of a family by its timepiece, you can tell more by the nature of the dog that greets you at the gate. A dog grows up after the fashion of its master or his mistress; a kind gentleman will not have an ugly brute on his place.—Exchange.

Not Overstudied.
Lowe Comedy—Yes, Starman, the tragedian, is hopelessly mad. His tragedy—Overstudied? Lowe Comedy—No, his understudy. He made a bigger hit in the part than Starman.—Philadelphia Press.

You know what it is—few people are exempt from frequent "spells" of this distressing complaint.
